I just wanted to tell you that I heard nightmares about remodels, especially pools at your home and working with your company was a pleasure. Your salesman, Scott was great and everything went smoothly and as promised. In fact, it went much quicker than expected. I want to thank you for your great service and you can be sure I would recommend your company. I tried to put something on your testimonial page but was not able to. Thanks again for a great product and service. We love our "new" pool!!!
