Dear A and K Pools:

We recently completed a pool remodel with your company. Arnold was a fun to work with and Scott was very professional. Once we signed the contract, the work began quickly and went smoothly. Arnold was attentive to our job and listened to our wants and needs. We are very happy with the final product. Most importantly, our children are thrilled with the new waterfall/fountain and the minute it was completed, they were pulling out their pool toys.

Thank you A and K (Arnold) for making this remodeling process an easy one. We will definitely recommend you to our neighbors and friends.

Sincerely,

Tim and Celeste Wolfe
